## Welcome

Dear Sir/Madam,  
We have the pleasure to submit to you our services and skills profile.

Dee-Chords Musical Concepts operates in Nigeria as a registered and recognised company by **Entrepreneur's Organisation (Canada)** to provide cutting edge services in performing Arts & Entertainments in Schools: Montessori colleges. Our services also extend to private individuals and other corporate organisations.

Our experience and professional methods in teaching, guidance, information and therapeutic work in music are applied in our outstanding services provided to pupils and students to further enhance their academic performance.

We make use of standard and advanced music curriculum coupled with professional expertise to render a world-class music training in theories and practical, (playing of various musical instruments, voice drilling, ballet dance, choreography and drama).

We help prepare school orchestra for both foreign and local music competitions and festivals.

We have a robust sessional programme that incorporates the entire range and scope of classical and contemporary music.

We have attached our profile to display what our skills are, and how we can better serve you. Again, we thank you for opening doors for us to work with your reputable organisation.

Yours faithfully,

# INTRO

DEE-CHORDS MUSICAL CONCEPTS is a private organization registered by the Nigeria Corporate Affairs Commission and Endorsed by Lymphopo Youth Orchestra (South Africa) with recognition as GLOBAL BRAND AWARD WINNER (SEMI FINALIST 2015) by Entrepreneur Organisation (Canada) to help discover and nurture creative talents in every aspect of performing arts.

Our highly competitive profile and records of performance in schools over the years i.e (music and educational training such as symphonic orchestra skill development for primary, post primary and tertiary institution) has ensured a life changing impact on young people who can stand out as a pride to their immediate family, their schools , and the society at large.

Music offers greater freedom and opportunity for mental growth, reliability and aptitude. Music helps broaden and sharpen mental and communication skills of children. Therefore, it has served as a therapy to combat poor educational development.  
Welcome to the New Era of Learning....

Raise a global standard of confident and disciplined orchestra in schools.

Combat the moral decadence that has eaten deep into the music industry.

To prepare youths for a lifetime of creative thinking and learning so they can be useful to themselves and their society.

To instill confidence and build up a consistent habit of excellence, integrity, discipline, courtesy and independence in our students.

## ▼ Mission

To form a reliable partnership and support the developmental dreams of our clients.  
To Educate and guide youths against wordly and lustful music and dance.  
To teach and train students and pupils on classical music (sight reading, sight playing and sight singing).

To engage wards in external Music competitions, audition shows and examinations by MUSON (Music Society of Nigeria) and other state and national inter-school Competitions.

## Vision ▲

# OUR ONLINE LESSONS

Since the need to transition from physical lessons to virtual learning became a trend as a result of covid-19, Our school adopted the use of zoom, microsoft teams, google meet and our official portal for effective music teaching and delivery .
